FARM FIRE CAUSES A LOSS OF \$10,000

Flames Early Today Destroy Large
Barn and Contents on Albert
Winship Place South of Here

LOSS IS PROBABLY COVERED

Only Heroic Work and Assistance
of Rushville Fire Department
Prevents House From Burning

An early morning fire today caused a loss estimated at \$10,000 on the Albert L. Winship farm, four miles south of this city, when one of the largest barns in Rush county was razed, and for a time the large dwelling occupied by Earl Winship was threatened, but was saved by the heroic efforts of neighbors and by the assistance of the chemical truck from the Rushville fire department.

The origin of the blaze is undetermined. The flames were well under way on the large structure, when passersby in a machine made the discovery and notified the family. The telephones were put out of commission and the country people was summoned to the scene of the fire by means of automobiles.

The building was built in 1913 following the destruction of a large barn by lighting in the same year and on the same location.

In the barn that burned this morning were 2500 bushels of corn, 30 tons of hay, 23 bales of hay, 460 bushels of wheat, an automobile, several farming implements and tools, and approximately 60 chickens.

The hay in the mow was partly old and new hay, but the theory of a combustion is doubted because the new hay was placed in a separate end of the barn, and when first discovered the flames had not reached this section of the barn.

The automobile belonged to Leslie Finley, a brother-in-law of Earl Winship's who is visiting here from Cleveland, O. He carried no insurance on the machine, and its loss is total.

The barn was built upon a large concrete foundation and the roof mounted high in the air. The barn was located at the rear of the house

DELAYED FOR TIME TO COMPROMISE CASE

Agreement Expected in Suit of
Show Owner to Recover Tent
From C. I. & W. Railroad

OTHER JUSTICE COURT CASES

In Justice Stech's court this morning, the case scheduled for nine o'clock was carried over until four o'clock this afternoon, and it was intimated that a compromise would be affected in the matter by that time. This was the case in which Albert Howell, owner of a tent show, was suing the C. I. & W. railroad for the recovery of a tent.

At ten o'clock this morning the case of Russell Behont against Rex McHenry was heard, and judgment for possession of the property was awarded the plaintiff and also \$14 damages.

Cases also were set for trial this afternoon at two and three o'clock, the first being Emma Myers against Chester Short and the other one Loretto Oneal against Mary Burley. Each case was for possession.

With the continued case at four o'clock, the last case today set for trial in this court to be heard at 7:30 tonight which also is for possession, and is the suit of Dalton Powell against Russell Ray.

UNION SERVICE TOPIC

The subject for the sermon to be preached by the Rev. E. G. McKibben, pastor of the First United Presbyterian church, at the union church services Sunday evening at the St. Paul's M. E. church, will be "The Return of Our Lord."

FUNERAL SERVICES SUNDAY

Will be Held at Fairview Over Remains of Leticia McClure

Funeral services will be held at Fairview Sunday afternoon at two o'clock, over the remains of Mrs. Leticia McClure, age 80 years, who died Thursday night at the home of a daughter in Connersville. The deceased was well known here and extensively related, her maiden name having been Caldwell. She is survived by several children, among them being Mrs. Clarence Carr of Glenwood, Elmer Caldwell of this city is a nephew.

The services Sunday will be held at the cemetery in charge of the Rev. L. E. Brown of this city.

WOMAN SENT TO PRISON FOR LIFE

Mrs. Catherine Eva Kaber Found
Guilty of First Degree Murder
For Killing Husband

JURY RECOMMENDS MERCY

Verdict Reached Before 9 A. M.
But Not Read Until 10.30 Due to
Defendant's Condition

(By United Press)

Cleveland, Ohio, July 16—Mrs. Catherine Eva Kaber today was found guilty of first degree murder in connection with the killing her husband, Daniel F. Kaber by a jury in common pleas court here.

The jury recommended mercy. The penalty is life imprisonment.

Mrs. Kaber was immediately sentenced to Marysville Reformatory for Women for life.

Mrs. Kaber took the sentence very calmly, never saying a word. She was carried out of the court room in the arms of a deputy sheriff.

Although the jury reached its verdict shortly before nine o'clock this morning, it was not until 10.35 a. m. that they were able to render it in the court room. This was because Mrs. Kaber collapsed when deputy sheriffs went to county jail to bring her into the court room.

The jury started its deliberations at 7 p. m. last night. Shortly after ten o'clock last night they were locked up for the night when the foreman reported they had reached no verdict.

At that time it was reported that ten jurors stood for the death chair, while two were holding out for mercy.

The jury resumed deliberation this morning. After deliberating

BODY OF MILROY BOY ENROUTE FROM FRANCE

Remains of Marshall Innis, Who
Died in France of Wounds, to be
Buried at Old Home

MILITARY FUNERAL PLANNED

Mr. and Mrs. Wade Innis of Milroy have received word from the government that the remains of their son, Marshall Innis, were enroute to Milroy, and were expected to arrive there some time today. Private Innis died October 29, 1918 of wounds received in action, and he was the first Anderson township boy to die in France.

The message received by Mr. and Mrs. Innis stated that the remains had arrived from France, and were being shipped at 10:30 Thursday morning for Milroy.

The Milroy soldier was inducted into the service September 21, 1917, being entrained at Rushville. He was sent to Camp Taylor and later to France. He had spent practically all of his life in Milroy, and he was well known in that community.

The funeral arrangements will be made known when the body arrives, and a military funeral is being planned by the Milroy post of the American Legion.

TO FORM LEAGUE OF WOMEN VOTERS

Miss Doris Graves, Organizer, Will
be in Rushville Next Week, it
is Announced Today

PURPOSE OF THE LEAGUE

To Foster Education in Citizenship
and to Back Needed Legislation
—Partly Educational

Miss Doris Graves of Peru, organizer for the League of Women Voters, will be in Rushville next week to organize a local branch of the League, it became known today.

The League has never invaded Rush county, and judging from the sentiment which has been expressed here, there is reason to believe that no difficulty will be experienced in organizing a branch here.

Mrs. Christian Eby of Connersville is the chairman of the sixth congressional district organization and has been very active in pushing the League in Fayette county. Fairview township now has a branch of the League and several women in northeastern Rush county belong.

A statement from the League explains its purpose:

A national organization of women who wish not merely to vote, but to use their votes to the best advantage is the National League of Women Voters. Of this, the Indiana League is a branch of which any woman interested in seeing her vote count for the public good may be a member. The organization, both national and state, has two purposes—to foster education in citizenship, and to support needed legislation. The program of its work is educational and legislative, i. e., to get behind needed reforms, to urge their support and adoption in the platforms of the political parties and their enactment into laws.

Indiana is following out this general purpose of the National League along all lines. Its interest for this summer is particularly in the proposed amendments to the state constitution which will be voted on September 6th. Not in any way does the league propose to influence the vote of its members upon the amendments, but rather through the holding of forums and community meetings, and through the distribution of literature, to bring all the material before them from which they can form their own opinions.

The citizenship amendment, the first one on the list, is the particular interest of the organization. Drafted in 1919 by the group of women who later organized the Indiana League of Women Voters, it was introduced into the State Senate by Senator Beardsley of Elkhart and was the first resolution put through in that session. This amendment brings the state constitution into conformity with the Federal constitution in striking out the word "male" as a qualification for voting. It further provides that only men and women citizens can vote, thus preventing an alien from voting on declared intentions.

In speaking of the great need for awakening the patriotic citizens of the state to the importance of this amendment, Mrs. Richard Edwards of Peru, first vice-president of the National League of Women Voters, said: "This amendment was left to Indiana women to initiate and push through the State Legislature as various political groups were unwilling to take the initiative for fear of antagonizing opponents of the amendment who do not see the great need for a sound basis of citizenship in Indiana, which evidenced to us that the men who help make our laws and direct our national doctrine should be genuine Americans, full citizens, with no divided nor alien allegiances." The Indiana League of Women Voters see this issue as a great patriotic duty made clearer and more pressing by the sacrifices of the world war."

MAJOR FUNERAL SUNDAY

Funeral services for Mrs. William E. Major, who died yesterday morning at her home west of Milroy, will be held Sunday afternoon at two o'clock at the Gowdy church and burial will be made in the cemetery in that vicinity known as McCarty's cemetery.

CAR LOAD OF USED CLOTHING TO SHIP

"Bundle Day" Results in Collection
of Mass of Garments For the
Armenians

STORED IN ASSEMBLY ROOM

Response is More Generous Than
Anticipated—Men Wanted to Help
Pack Monday

A car load of used clothing from Rush county for the Armenians—this was the estimate placed upon the pile of wearing apparel stacked in the court house assembly room today.

All morning automobiles loaded to the top with bundles rolled up to the north steps of the court house and discharged their cargoes. This was "Bundle Day" in the used clothing campaign, when used clothing solicited earlier in the week was delivered to headquarters here, not only from Rushville but from all of the townships in the county.

A half dozen women, a few men and a dozen boys were busy unwrapping the bundles today and sorting the clothing preparatory to packing it in boxes Monday ready for shipment. Men's, women's and children's clothing were separated according to kinds, and the shoes—hundreds of pairs of them—were all placed in a separate pile.

The quality of the clothing was all good. Many of the workers remarked that some of the articles were better than they themselves owned. No effort was made to mend the clothing, but most people complied with the request to send the clothing clean as possible—that is that which could be laundered at home.

Although the amount of clothing contributed did not equal that given in this county for the relief of war-distressed Belgians, the response of Rush county was regarded as nothing short of marvelous, taking into consideration the fact that the stimulus of war had been removed. The answer to the appeal was a big surprise to the executive committee of women who organized the campaign only two weeks ago today.

The committee today said that many more boxes were needed for packing Rush county's contribution and called on merchants to save any that would be suitable.

An appeal was also made for some men to put in their appearance at the court house assembly room Monday to help pack the clothing, because some of the work is of such a character that it can not be done by women and boys.

NO LULL IN BELFAST RIOTS

One Man Killed and Five Wounded
Before Dawn Today

(By United Press)

Belfast, July 16.—Warfare between Orangemen and Sinn Feiners continued in Ulster today despite the truce.

One man was killed here and five seriously wounded before dawn in street fighting. Sharpshooters fired from windows and roofs. Military patrols searched houses for these snipers.

Deaths since Sunday totaled twenty and there are scores of wounded in hospitals. A number of groceries and saloons were in flames this morning due to work of incendiary gangs, and others were completely demolished by wrecking crews that broke into them.

LICENSED TO WED

Hobart A. Han of Indianapolis and Effie M. Morgan, a stenographer of Milroy, were granted a license to wed this morning in the county clerk's office.

5 POUND GIRL BORN

A five pound baby girl was born Thursday to the wife of Glen Downey, living in Circleville. The child has been named Hazel Marie.

BABY BOY IS BORN

A baby boy was born to the wife of Milton Gardner in Posey township this morning at two o'clock.

WOULD FORECLOSE A LIEN

Elisbury Pea Files Suit Against
George Kyle to Collect \$90

Elisbury Pea, owner of a local transfer company, today filed suit in the circuit court against George Kyle, the complaint being to foreclose a lien. According to the complaint, Mr. Pea alleges that in June and moved the household goods belonging to the defendant to this city, his trucks went to Covington, Ky., and for which he was to receive \$90. The complaint alleges that the goods were hauled, and placed in the Grand Hotel but he has never been paid the \$90.

Mr. Pea filed a lien against the goods in the county recorder's office, and the suit in the circuit court is to foreclose the lien, and to collect the \$90 and attorney fees, which are placed at an additional \$25.

OPPOSED TO FAR EAST DISCUSSION

Japan Fearful of Bringing Specific
Problems Into Conference Because
They Might Become More Difficult

DON'T BELONG THERE, BELIEF

Japs Greatest Fear Concerning Dis-
cussion of Far East Question is
Her Interests in Shantung

Tokio, Japan, July 16.—The Japan foreign office announced that a favorable answer to President Harding's disarmament conference invitation was given the American charge-de-affairs Bell yesterday.

By A. L. BRADFORD
(U. P. Staff Correspondent)

Washington, July 16.—Japan opposes the discussion of specific far eastern questions in the forthcoming Washington disarmament conference, it developed today.

She agrees to a discussion of far eastern questions from the standpoint of broad general principles, it was made clear to the United Press.

Today's attitude of Japan was reflected in her reply to the American invitation to the conference which asked in effect whether the far eastern questions were to be taken up specifically or in a general way.

This development together with an exclusive statement by Premier Hara to the United Press offered the key to the heretofore unexplained action of Japan in welcoming disarmament discussion in the coming

NEW RECORD WHEAT YIELD IS REPORTED

Twelve-Acre Field on Charles Foster's
Farm in Union Township
Average 27½ Bushels

PRICE FOR NO. 2 STILL \$1.13

A new high average wheat yield was reported today from Union township which is expected to be the record for the year in Rush county.

The news was received in Rushville that Charles Foster, living four and one-half miles northeast of Rushville, had realized an average of twenty-seven and one-half bushels of wheat off of a twelve acre field. This far exceeds the highest average yet reported, which was twenty-one bushels. This yield was obtained by Derby Green from a small field on the Wilson farm just northeast of Rushville. The Foster wheat graded No. 2 and sold for \$1.13.

The price for No. 2 wheat remained the same in Rushville today, the advance of three cents a bushel, which came Thursday afternoon, not being lost. Practically all of the wheat being received at local elevators grades No. 2. It is regarded as doubtful whether any wheat grading No. 1 will be harvested in Rush county this year. The price for No. 1 wheat is \$1.18.

RETURNS ARE DUE AT END OF MONTH

In Order to Avoid Penalty, Must be
Filed With Internal Revenue
Collector by July 31

AFFECTS ALL CORPORATIONS

Capital Stock Tax Special Excise
Tax Imposed For "Carrying on
or Doing Business

In order to avoid the penalty, returns of the capital stock tax must be filed with the internal revenue collector in Indianapolis by July 31, according to a statement issued by the collector which was received here today.

The capital stock tax is a special excise tax imposed on corporations with respect to "carrying on or doing business." The tax on domestic corporations is \$1 for each \$1,000 or so much of the fair average value of its capital stock for the preceding year ending June 30 as is in excess of \$5,000. Foreign corporations are required to pay a tax at the rate of \$1 for each \$1,000 of their capital employed in the transaction of business in the United States without the benefit of the \$5,000 reduction. The tax is payable in advance, returns filed in July of this year covering the taxable year beginning July 1, 1921 and ending June 30, 1922.

The bureau of internal revenue estimates that approximately \$325,000 such returns will be filed, and that the amount of revenue collected from this source will be approximately \$90,000,000.

Returns are required of every domestic corporation regardless of the par value of its capital stock, and of every foreign corporation irrespective of the amount of capital employed in this country in the transaction of its business. Certain corporations not organized for profit are exempt from capital stock tax. The class of organizations entitled to the exemption is described in regulations 50, revised, copies of which may be obtained at the office of the collector.

Corporations claiming exemption are required to file returns setting forth their reasons for such claims,

BOYS CHARGED WITH TIRE THEFT DEFENDED

Mrs. John S. Moore Declares Leonard
Moore and Ebert Myers
Did Not Steal Them

GRASS ON RIM IS EXPLAINED

The following was received by the Daily Republican today for publication:

In regard to the tires which were alleged to have been taken by Leonard Moore and Ebert Myers. It would have taken a truck to move the things charged against them in the affidavit. They did not take these tires or anything else. Only the fear of divulging some evidence which we wish to withhold until they are given a chance to prove their innocence, prevents me from giving complete the things which took place from the time they left home until Leonard returned home that night.

The back tires on our machine had not been off since we came from Winona Lake about five weeks before. One front tire had been off the day before to repair a leak in the inner tube. This was done in our grassy yard which accounts for grass in the tire.

Leonard is not a thief. Ebert Myers is not a thief and all they need is a chance to prove it.

Mr. Moore is not a thief, nor is he a receiver of stolen goods. This is a pretty serious charge to place against two boys because they happened to be in Glenwood for a short time on the night this occurred and had Leonard been guilty of such a charge, we would have settled it with Lefter that morning if it had cost us everything we have.

(Signed) MRS. JOHN S. MOORE

Weekly Marketgram

(U. S. Bureau of Markets)
Washington, July 16—(For the week ending July 15)

Grain—After the 9th and 10th prices trended upward, influenced by black rust, hot weather, and damage reports and drouth in Europe. Outside buying increased considerably the latter half of week and helped to sustain values. On the 15th September and December wheat sold at new high points. July closed weak account ruling of Board of Directors of Chicago Exchange ruling after Monday grain in ears shall be deemed valid tender on contracts. Black rust and damage reports continue. Liberal export business reported with Germany and England. Country offerings corn small; scattered rains and slightly lower temperatures over corn belt. In Chicago cash market no. 2 red winter wheat closed at \$1.30; no. 2 hard \$1.31; no. 3 mixed corn 61c; no. 2 yellow corn 61c; no. 3 white oats 38c. For the week Chicago July wheat up 8 1/2c closing at \$1.31;

July corn up 2c at 63 3/4c. Minneapolis July wheat up 12 1/2c at \$1.42. Chicago September wheat up 11c at \$1.32 3/4; September corn up 1c at 62c. Minneapolis September wheat up 12c at \$1.38 3/4; Kansas City September 9 1/2c at 1.23 3/4. Winnipeg October wheat up 15c at \$1.57 1/2.

Hay—Receipts generally very light. Eastern markets up about \$2 for the week. Prices higher at Chicago also, but new timothy and prairie now beginning to arrive which will probably increase receipts. Other central western and southern markets dull and inactive. No. 1 timothy quoted New York \$32, Chicago old \$26, new \$20, Minneapolis \$18; Atlanta \$28; Memphis \$22; No. 1 alfalfa Memphis \$21, Atlanta \$29. No. 1 prairie Minneapolis \$15, Chicago \$23.

Feed—Market firmer with strong upward tendency particularly for high protein feeds. Export demand good. Cottonseed meal advanced \$2 per ton. Domestic demand fair. Stocks in dealers hands generally good. Hominy feed slightly firmer. Gluten feed steady. Alfalfa meal demand unimproved. Quoted: bran \$14, Middlings \$13.50, flour middlings \$20 Minneapolis; 36% cottonseed meal \$34.50 Memphis, \$33 Atlanta; hominy feed, white \$21.50 St. Louis; gluten feed 27.50 Chicago no. 1 alfalfa meal \$19.20 Kansas City; linseed meal \$34 Minneapolis; \$35.50 Buffalo.

Fruits and Vegetables—Virginia eastern shore Irish cobbler potatoes at New York lost \$1.50, last weeks advance, closing around \$3 per bbl. Kansas sacked early Ohio \$1.25-\$1.50 per 100 lbs in Kansas City.

Texas tomatoes slow and weak in Chicago at 50-75c per four basket carrier. New Jersey stock in 20 quart boxes moderately lower in New York at 2.25-2.50. California salmon tint cantaloupes weaker in consuming markets and general range of prices slightly lower at \$3-3.50 per standard crate.

Elberta peaches have been firm in Georgia shipping points, closing \$1.75-2 per 6 basket carrier fob cash track July 13. Consuming markets weaker. Prices nearly steady in eastern cities at \$2-3. The Chicago market closed at \$2.50-2.75.

Georgia and South Carolina Tom Watson watermelons, medium sizes, decline \$100 to \$200 per car in New York closing \$250 to \$400. Texas shipping points report moderate haulings with best demand for large stock. Tom Watsons, 22-30 pound average, \$80-300 per car, fob cash track to growers.

Dairy Products—Butter markets have been very firm all week at higher prices. Undertone now unsettled. Feeling prevails in some quarter that prices are top heavy. Continued hot weather, lower quality with scarcity of fancy grades, and lighter receipts have been factors lend-

ing support to market. There are unconfirmed rumors of Danish offerings. Closing prices 92 score, New York 41 1/2c; Chicago 40 1/2c; Philadelphia 40 1/2c; Boston 42 1/2c.

Cheese markets very firm and prices average 1 1/2c to 2c higher following advances at country markets. There has been heavy export buying at distributing and primary markets. Practically all styles moved well with some styles becoming short. Production decreasing and quality showing effects of hot weather. Wisconsin primary markets average: twins 16 1/2; daisies 17 1/2 double daisies 17c; young Americas 18 1/2c; longhorns 18 1/2c.

Cotton—Spot cotton prices advanced about 36 points during the week, closing around 11.43c per lb. New York July futures up 33 points closing at 12.28c.

Livestock And Meats—With the exception of fat lambs and yearling wethers prices of practically all classes of livestock at Chicago show moderate net advances compared with a week ago. Hogs gained 15-60c; beef steers 15-30c per 100 lbs. Better grades of butcher cows and heifers generally 25c higher. Veal calves up 50-75c. Fat lambs 25c; fat ewes steady to 10c higher. Fat lambs declined 75-90c per 100 lbs. while yearlings weak to 25c lower. July 15 Chicago prices; hogs, top \$10.40; bulk of sales \$8.90-10.35; medium and good beef steers \$7.25-8.80; butcher cows and heifers \$3-7.5-8.75; feeder steers \$5.50-7.50; light and medium weight veal calves \$9-11.25; fat lambs \$8.25-10.25; feeding lambs \$6-7; yearlings 8-8.50 fat ewes \$3-5.35.

Stocker and feeder shipments from 10 important markets during the week ending July 8 were: cattle and calves 16,687; hogs 4,318; sheep 9,763.

Eastern wholesale fresh meat prices show net advances ranging from 50c-\$6 per 100 lbs. Mutton advanced \$1-6; lamb \$1-2; pork loins \$2-5; better grades of veal \$2-3 higher. Beef ranged steady to 50c higher. July 15 prices good grades meats: beef \$14-15; veal \$16-18; lamb \$26-30; mutton \$16-17; light pork loins \$20-25; heavy loins \$15-20.

TAKE

PEPSINCO

the best remedy for indigestion that ever came out of a drug store.

You know that pepsin is good for indigestion but pepsin could never do what PEPINCO will. We have dealt in medicines long enough to know the various uses and value. We unhesitatingly say that PEPINCO is the best remedy for indigestion, gas, flatulency, food distress, sour stomach and pains under the ribs, that ever came out of a drug store. Sufferers of indigestion and dyspepsia will do well to take PEPINCO.

Ask your druggist—he sells and recommends Pepsinco.

—Dr. and Mrs. H. A. VanOsdel of Indianapolis will spend the week end with Mr. and Mrs. E. A. Lee West First street.

—Donald Ball, county agricultural agent, who has been taking a special course in poultry culling at Purdue, has returned home from Lafayette.

—Charles Gregg, chief of the Connersville fire department visited with the local firemen this morning, while enroute on a visit with relatives near Columbus.

—Miss Alice Norris has returned home from a several weeks visit with relatives in Huntington, W. Va. She was accompanied home by Mr. and Mrs. Homer Bell who motored through in their machine.

—Mrs. Harris Agnew and Mrs. Thomas Winsmore of Philadelphia, Pa., who have been visiting Mr. and Mrs. Lee Pyle for a month have gone to Bay View, Mich., for an outing before returning to their home.

—Mrs. Wesley J. Kelley and children returned today to their home in Minneapolis, after a visit here with her parents, Mr. and Mrs. John Gray. Miss Helen Gray accompanied them home for an extended visit.

CAMPBELL MAKES REPORT

Milroy Boy Makes Good Pledge of Judge at Shelbyville

Ralph W. Campbell, of Milroy, who is charged with passing a fraudulent check, in an affidavit filed in the Shelby circuit court, appeared before Judge Blair Friday to make a report which was ordered by the court on May 31. He was ordered to make another report on Oct. 4 in the Shelby court. Campbell was arrested in that city after he had passed a check and when arraigned he entered a plea of guilty. Leniency was shown by the court, who ordered him to secure employment and reimburse the amount which was lost through his transactions. He reported May 31 and was ordered to return Friday for another report regarding his actions. He is said to be following the court's instructions and the case will probably be dismissed at some future date.

TAKEN TO NEW YORK TO ANSWER TO CHARGE

Mrs. Emma Burkett Must Stand Trial For Forgery Because of File Roosevelt Estate Claim

CLERK DENIES STATEMENT

Clinton, Ind., July 16—Mrs. Emma R. Burkett was being taken to New York today to answer to a charge of forging the name of the late Roosevelt as surety on a note for \$69,900.

Sergeant John Sunniff, a detective member of District Attorney Edward Swann's staff in New York, was speeding back east with Mrs. Burkett, who filed a claim against the Roosevelt estate for the amount of the note.

"I'll write as soon as I reach New York," she said as she smiled and waved goodbye to the crowd about the railroad station to see her off.

The claim was supposed to have been filed in the office of Charles T. Evans, clerk of the Vermillion circuit court, but in a letter to District Attorney Swann made public today, Evans denies that such a claim had ever been filed with him.

"If the claim was as you state, sworn to before me, it is evident that she was at my office, but of this I have not the slightest recollection, neither have I any knowledge of at whose request or in whose presence the same was executed," Evans letter said.

U. B. SERVICES

The following services will be held at the United Brethren church, tomorrow, corner of Seventh and Arthur streets. Sunday school at 9:30 a. m.; preaching services at 10:30 a. m. and 7:30 p. m. TAX COLLECTIONS FOR JULY SHOW INCREASE

This Indicates Nation Now is Making Real Progress in Working Out Economic Depression

RECEIPTS ARE 130,000,000

(By United Press)

Washington, July 16.—Tax collections of the federal government showed an increase of \$2,000,000 a day for the first half of July as compared with the same month last year, an official treasury statement showed today. This indicates the nation now is making real progress in working out of the economic depression.

For the first half of the month the total ordinary receipts of the government was nearly 130,000,000 as compared with 69,000,000 for the same month of 1920. In July 1920 economic depression was at its peak as far as the big nation wide buyers strike was concerned.

Coinciding with the commercial optimism indicated in the rising tax returns are reports to several government departments and the federal reserve board of the reopening of scores of factories closed during the winter. A reduction in unemployment, a shortage of farm labor in the great western wheat belt coupled with reports of a bumper harvest in many crops and a general feeling of confidence

Amusements

Snooky at The Princess

Wanda Hawley and Walter Hires continued at the Princess today in "A Kiss in Time", and the comedy, "Just in Time", was also on the bill. In this picture Snooky, the human ape, has the leading role, much to the delight of the children who see it.

Written by Baroness De Meyer, with whom Erich von Stroheim collaborated in preparing this remarkable scenario, "The Devil's Passkey" is the story of an American husband and wife and a crowded hour in their lives in Paris, which comes to the Princess Monday and Tuesday.

Warren Goodwright is a writer of plays, not yet successful but moving with his wife Grace, in the best Padream of her, gets badly in debt to risian society.

Grace, for love of her husband's Madame Malot, a famous—and infamous—modiste. In her attempts to extricate herself she is forced to meet clandestinely an attractive young American army officer, Captain Rex Strong. Out of their meeting—innocent enough—springs a scandalous story which all Paris promptly learns and which Goodwright just as innocently takes for the plot of a play in which he presently makes a great success at the Theatre Francais. Jeered at and scorned by all society for making, as they think, his own wife's indiscretions a source of fame and income, he suddenly wakes to the ter-

rible truth and goes sorrowfully, grimly home to the supposedly guilty pair to have his settlement.

While "The Devil's Passkey" is splendidly clean and ends happily, its powerful story is stronger rather than weaker on this account. If ever or never you've felt almost unbearable suspense you will feel it all through the latter half of this remarkable picture. You will sit helpless before the wondrous pictured march of its inevitable events.

TAXI DRIVER DROWNS

Indianapolis, Ind., July 16.—Patrick Murphy, 25, a taxi driver was drowned in White river when a canoe capsized. He was on the water at Terrace Beach with Arthur Watson, who was able to swim to shore. Murphy's body was recovered by the police.

Farm Life Looking up

A noted writer declares that in time the lonesomeness of farm life will be done away with, and that tilling the soil will become a popular vocation.

He might have said that much of the lonesomeness has already been banished, and that the remainder is rapidly disappearing.

The automobile has done it.

There is no need for the farmer or his family or his help to feel lonesome these days.

Distance no longer exists for him.

With his car he can be in town at any time within a few minutes. He can visit his neighbors for miles around any evening after supper, while attendance at church on Sunday and social gatherings at other times require but little more effort than is consumed in walking around a city block.

His life in many ways is preferable to that of the city dweller. His health is enhanced by the sunshine and the pure country air that he breathes. His life is not menaced by the constant stream of cars driven by reckless motorists, as is the case in most cities. His children grow to maturity in the purity of contact with nature, instead of being surrounded by the questionable environment of more congested centers, where there is little opportunity to sift the good from the bad. He is free to go and come as he desires and is not hedged around with the myriads of restrictions and laws of the city man.

Tilling the soil is popular now.

It will become more so as time goes on and the beauties and advantages of nature are better known and understood by those who now live by a clock and the factory whistle.

The women's organizations of the country are taking an active interest in the ceration and maintenance of better country roads. If they produce definite results in this one field alone they will have justified their enfranchisement a thousand fold.

Nowadays when a fellow begins to speak of the "best sellers" the thirsty immediately forget everything else and begin to mill around in a desperate effort to locate the entrance.

Buying expensive clothing does not always constitute being well dressed. Neatness, tastiness and harmony in blend are more essential than price.

Some men achieve greatness through the wisdom of others.

The wisest of men are the ones who say the least.

Sap and Salt

By BERT MOSES.

Fame has come to be a matter of making the most home runs.

Folks who do things without being told are good folks for bosses to let alone.

Every new kind of car seems to develop a new kind of knock in the engine.

You have to be a mighty big man before you can defy custom and get away with it.

Congress still gives us the right to breathe, thus allowing us to live and pay taxes.

Hez Heck says: "Life is just a continual struggle to keep dam foolishness under control."

Watching The Score Board

Yesterday's hero—Dick Kerr. The little White Sox hurler won the first extra inning contest of his major league career when he beat the Senators 3 to 2 in eleven frames.

Babino Ruth got homer No. 35 and helped the Yanks beat the Browns 7 to 3.

Ty Cobb went back into the game as a pinch hitter but he couldn't do a thing and the Tigers lost to the Athletics 3 to 2 in ten innings. The Indians lost another pitchers battle to the Red Sox 3 to 2.

Steve Oneill appeared as a pinch hitter for the first time since May 30.

National League—rain.

THIS TIME LAST YEAR

The Browns won the first series the Yanks had lost on the Polo grounds.
Cincinnati announced contract with Pat Moran, manager for 1921 and 1922.
Rice, Washington failed to hit after getting a hit in twenty-eight consecutive games. Faber, White Sox, stopped him.
Frisch, Kelly and King tripled in succession off Hamilton, Pittsburgh, the Giants making seven runs in the seventeenth inning and winning 7 to 0. The Giants went into fifth place, the highest point of the season to date.

Must Have Had it in Her Head
Ad in Oakland, Cal. newspaper. MUST sell my vacuum; sacrifice for cash. Box 7368 Tribune.

WINS HIS OWN GAME

DICK KERR

Dick Kerr won his first extra inning game since coming to the American League, and his initial victory over Washington this season, when Chicago beat the Senators, 3 to 2, in 11 innings Friday.

FURTHER LOANS REFUSED

Washington, July 16.—Congressional leaders have refused authority sought by the executive department to lend further money to foreign powers, it was disclosed today when Senator Penrose told the finance committee that he had in his possession a bill granting such authority which he had not introduced. Penrose indicated he did not intend to present the bill.

Plants and Seeds

FOR SALE—Celery and cabbage plants at Tyler's 202 S. Pearl St. Phone 2217. 102t6

HONOR BIRTH OF MARY BAKER EDDY

Mr. and Mrs. E. E. Stevens entertained with a prettily appointed six o'clock dinner party last evening at their home near Orange, in honor of Quince Stevens of Arizona who is visiting his parents, Mr. and Mrs. Ozro Stevens.

Mr. and Mrs. Thomas Reed and Mr. and Mrs. J. D. Henry, daughter Nelle and son Paul Reed, were the guests last evening of the former's daughter Helen Reed, who with several other girls of the Orange vicinity are enjoying a week's camping trip near Laurel.

Methodist preachers and their families of the Connorsville district enjoyed a picnic Thursday at Hawkins playgrounds in Connorsville. About twenty-five ministers and their families, including Dr. J. M. Walker, of this city, the district superintendent, were present for the affair. At noon a bountiful picnic dinner was served. The day was spent with various kinds of athletics.

A pretty home wedding took place Thursday afternoon at five o'clock at the home of the Rev. and Mrs. E. G. Shouse in Indianapolis, when their daughter Lois Glennary was united in marriage to Russell Conwell Fish. The ceremony was performed by the bride's father in the presence of a few relatives and intimate friends. French baskets of Aaron Ward roses and garden flowers were the decorations for the home. Immediately after the ceremony the bridal couple left for a month's stay at Machinae island. Among the guests present for the wedding were Mr. and Mrs. J. H. Frazee, Horace Pearsey, Mr. and Mrs. Hale E. Pearsey and Mr. and Mrs. W. E. Frazee, of this city. Mr. Fish is a nephew of Mrs. J. H. Frazee, Walter E. Smith and Dr. Will C. Smith of this city.

RETURNS ARE DUE AT END OF MONTH

Continued from Page One
accompanied by evidence in support thereof.

If, because of lack of complete data or other reasons than illness or absence, it is impossible to file a complete return on or before July 31, a tentative return may be filed, reporting the approximate fair value in order that an initial assessment may be made, thus avoiding penalty.

The penalty for failure to file a return within the time prescribed is an added assessment of 25 percent of the amount due, unless it is shown that the failure was due to reasonable cause and not to neglect.

In addition to the added assessment a fine of not more than \$1,000 is provided for failure to make a return on time. For wilful refusal to make a return, wilful aversion of the tax, wilful refusal to supply information requested by the commissioner, or attempting in any way to evade the tax and payment when due, the penalty is a fine of not more than \$10,000 or imprisonment for not more than one year, or both.

With a view to the prompt collection of the capital stock tax, and for the convenience of the taxpayer as well as the government, the bureau suggests that corporations submit checks with the returns for the amount of tax due. This method is appealing to corporations as it lessens liability to penalty.

Blank forms are available at the office of Collector of Internal Revenue M. Bert Thurman, Federal building, Indianapolis. Form 707 is required for domestic, and 708 for foreign corporations.

WOMAN SENT TO PRISON FOR LIFE

Continued from Page One

three hours last night with no verdict reached, the jurors were locked up for the night.

It was reported late last night that the jury at that time was deadlocked at 1 to 2 and that the disagreement was over the penalty to be paid by Mrs. Kaber.

Six forms of verdict were permissible under the instructions given to the jury by trial Judge Bernon. They are:

Guilty of first degree murder which carries the death penalty.

Guilty of first degree murder with a recommendation for mercy which carries life imprisonment.

Guilty of second degree murder with a penalty of life imprisonment.

Guilty of manslaughter with a penalty of a prison sentence of from one to twenty years.

Not guilty.

Not guilty on grounds of insanity.

The origin of Damascus is older than history.

Centenary Christian Scientists Will Pay Tribute to Unique Career Of Their Leader

FOUNDER OF RELIGION

Mrs. Eddy Died in 1910 and Body Lies in Mt. Auburn Cemetery Where Memorial Was Erected

(By United Press)

Boston, July 16.—Today marked the one hundredth anniversary of the birth of Mary Baker Eddy, founder of Christian Science. On this occasion of the centenary Christian Scientists everywhere will pay tribute to the unique career of their leader. Born in a remote New Hampshire town, of typical New England parentage, Mary Baker Eddy has become known as the Discoverer and Founder of Christian Science, a religious movement comprising The Mother Church, and more than 1800 branches which is less than half a century have entirely circled the globe with a membership that includes persons of many races and shades of religious belief.

Reared in the atmosphere of a Puritan home, from childhood Mrs. Eddy manifested a spiritual quality of thought, and at an early age developed a precocious interest in physical science and metaphysical subjects. Even in her youth she displayed skill as a writer and later became known as a contributor of poetry and prose to current periodicals. In a volume of poetry by New Hampshire authors, published in 1850, appear two poems from her pen, meritorious both in thought and form of expression.

Physically delicate as a child after reaching womanhood Mrs. Eddy passed through a long period of invalidism during which she unsuccessfully sought healing from various agencies. In 1866 she recovered from the results of a severe accident through the spiritual illumination gained in reading the Scriptures. For the next three years she sought through careful and persistent study of the Bible the Principle and divine law which governed this experience.

In 1875 she gave her belief to the world in the text book of Christian Science, Science and Health with Key to the Scriptures. To establish formally her movement and to disseminate its teachings, in 1879 she founded The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. This was followed in 1881 by the opening of a metaphysical college chartered by the legislature of Massachusetts which, after some 4000 students had been taught and in the midst of great prosperity, she closed on the ground that it had fulfilled its purpose.

To disseminate further her teachings, in addition to the church services and Sunday school, she established a Board of Lectureship, a Publishing Society to publish various periodicals including a monthly magazine, a weekly denominational paper and a daily newspaper, a Board of Education to prepare teachers of Christian Science and a Committee on Publication to correct misrepresentations of her teaching. Although her discovery of Christian Science was not made until after middle life, Mrs. Eddy lived to see it established throughout the United States and in many foreign countries.

Beside her chief work, Science and Health, the text book of Christian Science Mrs. Eddy wrote other volumes including Miscellaneous Writings, The First Church of Christ, Scientist and Miscellaneous, Unity of God and other Writings, the Church Manual, Christian Healing and Other Writings, Christ and Christmas and a volume of poetry, all of which are widely read.

Christian Scientists everywhere constantly express profound gratitude to their revered Leader. Whether or not one agrees with her teachings, thoughtful persons cannot fail to recognize the tremendous influence for good she exercised through the force of her example. Mrs. Eddy passed away in 1910 in her ninetieth year and her body lies in Mt. Auburn cemetery where there has been erected a beautiful but simple memorial in the form of a Greek Temple a fitting symbol of the simplicity and purity of her life.

GOVERNMENT DISMISSES

Washington, July 16.—The government today dismissed the case against Captain Robert Rosenbluth in connection with the death of Major Alexander Cronkhite at Camp Lewis, Washington.

Brazil is to hold a centennial exposition in 1922.

BORAH MAY BE ONE OF THE COMMISSIONERS

Friends Want Senator to Confer on Disarmament For He Has Given Subject Deep Study

HOLDS POSITION IN SENATE

(By United Press)

Washington, July 16.—Influential friends of Senator Borah have set to work to have him named as one of the American commissioners to confer on disarmament, it was learned here today.

They have done so on the ground that Borah, as the senatorial pioneer of disarmament has given the subject much deep study that he by right belongs among the American representatives.

There is also a deeper reason why, which in effect, is that it is hoped that Borah would be able, if made a member of the American commission and given some freedom of action to bring about results which could obtain the approval of the senate.

Borah holds no official position of leadership in the Senate, but his friends and foes alike admit his ability to "handle" that body.

Speech By Half-Year-Old Child Future Possibility

Chicago, July 16.—The six-months-old offspring, playing dominoes on the pantry floor, sniffed a deep sniff and shouted:

"Hey, pa, the home brew is boiling over!"

It may be a bit previous to put the baby on record for the above statement, but speech by half-year-old children is bound to come, according to Dr. W. B. Swift, of Northwestern University.

Too much of the infant's time, it appears, is wasted in uttering meaningless goo-goos and da-das when the Einstein theory of disarmament could be discussed at an advantage.

Dr. Swift announced today the opening of a clinic on the University campus to teach the child of tender months how to talk.

"A baby usually cries for the first eighteen or twenty-four months," said Dr. Swift. "This is a big loss of time."

In his clinic, the doctor will demonstrate to parents how to get their children to talk coherently first by imitation.

For some reason or other parents think all children can say is "da-da" and "goo-goo" and consequently that is all they do say, according to Dr. Swift. If sensible words were uttered by parents, the child would talk sooner, he believes.

So some time, not far distant, when the fond parent is sliding the dimes out of the baby's bank, he may be greeted with the following stern rebuke:

"I'm certainly proud of you, pa."

FARM FIRE CAUSES A LOSS OF \$10,000

Continued from Page One
but a stiff wind fanned the blaze and caused the heat and sparks to surround the dwelling.

The large two story house would have burned at once, had not the roof been made of slate. The slate became so hot that the rafters underneath caught fire and the entire attic of the large house was, in flames on the inside, and only strenuous work prevented the house from burning.

The chemical truck from the fire station here went to the scene of the blaze, and was on hand within ten minutes after the call came in. Firemen Carrol and Leslie Downey responded to the call with the truck. The fire was discovered between 12:30 and one o'clock.

The house was in great danger when they arrived but the chemicals probably saved the house, and Mr. Winship today expressed his thanks to the firemen for responding so quickly.

The loss of each Mr. Winship is thought to be covered with insurance.

A large frame house located near the dwelling, and which is used as a garage building and smoke house, also was on fire several times, but it was saved. Two other good sized barns located north and northeast of the one that was destroyed, each were saved on account of the wind blowing the flames in the opposite direction.

The corn, hay and contents, were still burning today and the heat was so intense that it was feared a change in the wind would endanger the other two barns.

It will be several days before an exact estimate can be placed on the loss but Earl Winship stated this morning that he felt confident that the loss would reach \$10,000.

REPUBLICAN EDITORS GUTING JULY 28-29

Association Will Visit Calumet District Thursday Morning With Lunch at East Chicago

SENATORS WILL ATTEND

Indianapolis, July 15.—All Indiana Republicans, men and women are invited by the Indiana Republican Editorial Association to attend the editors' outing in Lake county, Thursday and Friday, July 28 and 29.

The editors' schedule calls for the first meeting in Hammond at nine o'clock Thursday morning, July 28, with luncheon at East Chicago Thursday noon. The afternoon will be spent visiting the industries at Gary with a banquet in Gary Thursday evening, at which Governor McCray, Senator Watson, Senator New, and other party leaders will speak. The following day the sand dune region will be visited, with luncheon at the Lake Shore Club, after which a visit to the Michigan City prison will be made, where dinner will be served in the evening. Members of the party who desire will go to Chicago by boat Friday evening to attend the opening of the Chicago Industrial Exposition on Saturday as special guests of Mayor Thompson.

Many Republicans will motor to Lake county while those going from Indianapolis will take night sleepers Wednesday evening, July 27. Reservations indicate large attendance and Republicans desiring to accept this invitation should notify E. J. Hancock, of Greensburg, president of the association, or F. E. Schortemeier, Indianapolis, secretary of the Republican State Committee.

CARD OF THANKS

With deep appreciation we wish to thank our relatives, friends and neighbors for their kindness and sympathy shown us during the illness and death of our beloved husband and father, Byron Westerfield, and for the beautiful floral offerings, also for the automobiles furnished by friends; especially do we thank Dr. Barnett, the I. O. R. M. Lodge of Homer, the Rev. Loren Tillison for his consoling words, and the singers, and Mr. Stewart, funeral director for his efficient service. MRS. BYRON WESTERFIELD 10611 and CHILDREN

OPPOSED TO FAR EAST DISCUSSION

Continued from Page One
conference but withholds acceptance of discussion of specific affairs. It was noted the statement of the Japanese premier, which was furnished to Secretary of State Hughes did not mention the Pacific phase of the coming conference.

By praising the forthcoming gathering as simply a "disarmament conference," Hara was elaborating on Japan's official reply to the United States, "wholeheartedly" accepting the invitation to a "disarmament conference," it was pointed out, and making a reservation regarding the proposed discussion of Pacific questions.

"President Harding's suggestion for a disarmament conference has been received with enthusiasm in Japan," Hara stated.

Japan's position regarding discussion of Pacific problems in the disarmament conference was explained to the United Press in authoritative quarters as follows.

1—Japan is fearful of having specific problems of the far east discussed in the conference of the five powers on the ground that this would make these questions more difficult of settlement.

2—Because of her "special" position in the far east, Japan feels that such specific questions do not properly belong in the discussion of a conference of all the powers, any more than would questions between the United States or Mexico or some other Latin American country.

Japan's greatest fear concerning a discussion of far eastern questions in the disarmament conference it was also learned is her interests in China, such as Shantung.

Secretary Hughes has informed Ambassador Shidehara that the view of the United States in regard to the Japanese inquiry is:

There will be discussion between the nations to reach an agreement on what subjects are to be taken up at the conference.

But Japan must first accept or reject the proposed Pacific discussion in principle before the agenda of the conference is decided upon.

Hughes is also understood to be sending a communication to Tokio to this effect.

MARRIED BY SQUIRE

A marriage license was issued this morning to George Gordon, a farmer and Cora Inlow, a resident of Manilla. The marriage ceremony was performed immediately afterwards in the clerk's office, by John P. Stech, Justice of the Peace.

Afternoon MYSTIC NIGHT

TODAY — AFTERNOON & NIGHT

George Walsh in—"DYNAMITE ALLEN"

This is Walsh's newest and best—a thriller from start to finish.

A Bud Comedy—"A FLIRTY HUSBAND"

MONDAY AND TUESDAY

BUCK JONES in another big five reeler—

"ONE MAN'S TRAIL"

If you saw Buck in his first big picture, "The Big Punch," you will want to see him in "ONE MAN'S TRAIL"

Mutt and Jeff in—"Gathering Cocomanuts"

Tonight NEW PRINCESS Tonight

WANDA HAWLEY AND WALTER HIRES IN

"A KISS IN TIME"

A story of a girl who was a pessimist about love, and a speedy wooer who made her an optimist.

SNOOKY, the Human Ape, in a Dandy Comedy, "JUST IN TIME"

MONDAY AND TUESDAY

Do you know what the devil's passkey is? Can it be bought? Who uses it? You'll know when you see this amazing photodrama of an American husband and wife in Paris—one day on the very crest of the social wave, the next day, the storm centre of the biggest scandal Paris ever knew. A picture so real, so human, so crowded with suspense that you'll remember it all your days. Now playing. Don't miss it

WEDNESDAY AND THURSDAY

Priscilla Dean in "REPUTATION"
